

# "Floyd"

Hi, my name is Floyd.

I am a Labrador Retriever... I am always excited to make new human friends.

I will be 8-years old in September. So I am a lot calmer than when I was a puppy (but just as spoiled).

This is my Mom... she will come with me to visit you.

I love to shake hands for treats (which my Mom will bring). Maybe you can teach me a new trick!

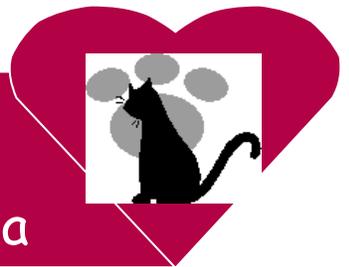

Hope to see you soon!

Love,  
Floyd
